DPD-2398-59
Copy 2 of 8
10 April 1959

Dear Sir:

Enclosed are the following Audit Reports regarding General Precision Laboratory, Inc.

#393	cy 3	DPD-2012-59	HF-2249
#394	cy 3	DPD-2014-59	HF-6701
#395	cy 3	DPD-2013-59	RA-1076

Schedule A-1 of each report shows the various customers. Are these customers under contract to AMC? In any event could you check to see if AMC has negotiated any settlements with GPL for RADAN equipment.

In particular we are interested in what they did regarding the followings:

1. Research & Development Expense
2. Warranty Expense
3. Tools and Test Equipment
4. Profit

If settlements have not been effected by AMC then I suggest that some arrangements be established whereby the Customers can be uniform in their offers.

Let me have your comments regarding these reports.

Sincerely,

DAN
